**ORDER:**

In the G.O.2<sup>nd</sup> read above, permission was accorded to Narayana Educational Society, Nellore to start M.Sc. (Nursing) course in Narayana College of Nursing with an intake capacity of 25 seats from the academic year 2008-2009.

2. In the letter 3<sup>rd</sup> read above, the Chairman, High Power Committee, Hyderabad has reported that Narayana Medical College was established more than a decade ago. It has established a B.Sc. (Nursing) College which is presently having 100 intake capacity per year and it has also established M.Sc. (Nursing) College with an intake capacity of 25 seats; alleging that M.Sc. (Nursing) programme being run by institutions with Parent Medical College offer better education and provide better infrastructural facilities including teaching faculty and so alleging it is requested that the intake capacity of Narayana College of M.Sc. (Nursing) be increased to 50 from the present 25 seats. By and large, the infrastructure being provided by nursing institutions having Parent Medical College is always superior to similar courses being offered by the nursing institutions without Parent Medical Colleges. The faculty as well as the other infrastructure being provided by a Parent Medical College is always far superior to what is being provided by any other Nursing institutions running either B.Sc. (Nursing) course or M.Sc. (Nursing) course. Taking into consideration this aspect the Government of A.P. have pleased to issue G.O.1<sup>st</sup> read above, increasing the intake capacity in respect of B.Sc. (Nursing) colleges from 50-100 in respect of such institutions having Parent Medical Colleges.

3. The Chairman, High Power Committee, Hyderabad has therefore requested the Government to examine the entire matter and take appropriate action in the matter with regard to enhancement of intake capacity in M.Sc. (Nursing) course in Narayana College of Nursing, Chintareddypalem, Nellore.

4. Government after careful examination of the matter and since Narayana Educational Society is a reputed and well established Society running their own Medical College with 1420 Beds, with Super Specialities, the request for the increase of the intake capacity in their M.Sc. (Nursing) College from the present 25 seats to 50 seats, is agreed to, keeping in view the recommendations of the High Power Committee and also the dearth of faculty members for the Nursing Education in the State and accordingly
